KIGALI - RWANDA

About Me

Motivated and analytical Financial Analyst with a strong background in financial planning, forecasting, and risk assessment. Proven expertise in utilizing financial models and data analysis to drive business decisions and optimize financial performance. Detail-oriented and adept at identifying trends and providing insightful recommendations to enhance profitability and operational efficiency

Experience

National Electoral Commission 2023 - Present

Internship

I had the valuable opportunity to intern in the Accounting Department of the National Electoral Commission. During my internship, I gained practical experience in financial analysis, budgeting, and auditing, while contributing to the smooth functioning of a critical institution responsible for democratic processes.

Institut de Goma May 2019 - Jan 2020

Entrepreneurship Instructor

I had the privilege of inspiring and equipping aspiring entrepreneurs with the essential knowledge and skills needed to navigate the dynamic world of business and foster their entrepreneurial spirit
